

# Y Bülbül

## Tech Specs

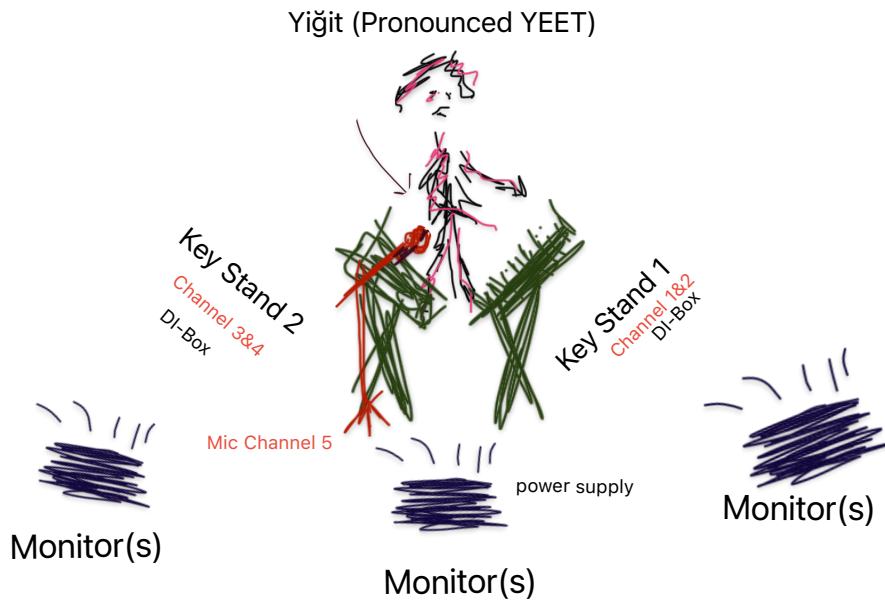

### Please Provide

- 1 x Vocal Mic
- 1 x Mic Stand
- 2 x Stereo DI-Boxes (or 4 x mono DI-Boxes)
- 2 x Keyboard Stands (height adjustable, single tier)

### Channel List

- 1: Main Left (DI)
- 2: Main Right (DI)
- 3: FX Left (DI)
- 4: FX Right (DI)
- 5: Vocal Mic

### Stage Plot

### Summary

I will have my own mixer on stage, so you will only receive stereo output (1/2) from stage + stereo effects channels (3/4). Please send these to my monitor(s) equally. I'll be bringing all the cables I'll need to interconnect and fire up my setup, and I'll be expecting all the XLRs etc to be provided to pass the signal from my setup to PA. That's all, easy :)
